Bomgaars' Annual Ladies Night Set for October 25th
United Hospital District to receive sales-based donation for cancer efforts

Blue Earth, MN – October 19, 2020 – It's once again time to start planning **Bomgaars Ladies Night for the Blue Earth Bomgaars Store!** A night of Festive Fun & Fall Shopping!

For the past four years, Bomgaars has held a **Ladies Night** in the Fall / Winter. During this one evening, 5% of the total sales has been donated to cancer centers and/or hospitals in the communities we serve. Last year, we were able to donate just over **\$40,015** to 88 locations!

The Bomgaars Ladies Night is set for, **October 25th, 2020 – 5 PM – 8 PM.**

After investigating and going thru lists of possible organizations, Bomgaars has chosen **United Hospital District (UHD)** to be a **recipient in your community.**

What does this mean?

United Hospital District will be receiving a donation check from Bomgaars in December 2020!!! The donation is based on the total sales of Ladies Night in the local Bomgaars Store.

Bomgaars endeavors to make this event special for the ladies with a discount and giveaways.

To date, UHD has received over \$1,400.00 in proceeds, which has been used, in part, towards the purchase of 3D Mammography equipment and also to sponsor a Relay For Life team.

Make plans to attend this special event! **Blue Earth Bomgaars Store - Sunday, October 25th, 2020 from 5 PM – 8 PM.**

UHD, located in Blue Earth, MN, is an independent system of care comprised of a 25-bed acute care hospital, comprehensive outpatient services, ambulance service and home health/hospice care all supported by a 20-plus multi-specialty provider group with four clinic locations across two counties.

###

Bomgaars Ladies Night aims to raise awareness of women's health issues by offering a 20% discount to ladies in attendance during event hours. 2019 marks the second time UHD has been selected as a local beneficiary of the event. UHD's 2018 proceeds were used to sponsor a team at American Cancer Society's Relay For Life event, which raised over \$125,000.00 to support local cancer patients and their families.
