**United Hospital District Welcomes New Provider Angie Pickerel**  
*Certified Family Nurse Practitioner Joins Family Medicine Department*

**Blue Earth, MN – June 1, 2020** – United Hospital District (UHD) of Blue Earth announces the expansion of their Family Medicine department with the arrival of new provider Angie Pickerel, a Family Nurse Practitioner who is seeing patients in UHD’s Blue Earth Clinic.

Newly relocated from Colorado, Ms. Pickerel holds a Doctor of Nursing Practice degree, which is the highest level of training for a nurse practitioner. She comes to UHD with 13 years of nursing and leadership experience, including roles as a charge nurse and preceptor for a busy Labor and Delivery unit with Neonatal Intensive Care. She also has technical expertise with electronic health record and has served as an Emergency Medical Technician.

UHD CEO Rick Ash stated, “We are very pleased to have Angie join the UHD team. Her focus on quality rural healthcare with a full scope continuum of care is a tremendous addition to our healthcare team.”

Angie brings the provider total to 10 in UHD’s Family Medicine department. The busy team covers all areas of general healthcare, including pediatrics, adolescent health, men’s and women’s health and aging issues. They provide diagnosis and treatment for a wide variety of issues, including routine care, and additionally provide referrals for specialized services. Angie will see patients of all ages and has a special interest in women’s health and newborn care.

UHD, located in Blue Earth, MN, is a system of care comprised of a 25-bed acute care hospital, comprehensive outpatient services, ambulance service and home health/hospice care all supported by a 20-plus multi-specialty provider group with four clinic locations across two counties.
